

# DRIVING Breast Health

LET'S  
ROLL!

The Mobile Mammography Center  
[RochesterRegional.org/PINK](http://RochesterRegional.org/PINK)

Rochester Regional Health's Mobile Mammography Center is making state-of-the-art breast cancer screenings more accessible to women throughout our community.

The mobile center offers a spacious, comfortable, spa-like atmosphere with 2 private dressing rooms, and provides:

- 3d mammography screenings from certified technologists
- Evaluation of results by board-certified radiologists
